**2021 Summer Program
June 15, 2021**

This Memorandum of Understanding (MOU) is between the Sacramento City Unified School District ("District" or "SCUSD") and the United Professional Educators ("UPE"), collectively "the Parties", regarding the 2021 Summer Program.

- I. There is currently no single established rate for Principals, or other administrators who have the appropriate administrative credentials, who supervise summer school programs in the District.
- II. For the 2021 Summer Programs only, UPE represented employees shall be compensated at the rate of \$128.00 per hour.
- III. The K-8 Program will run from June 28, 2021-July 30, 2021 (Freedom Schools will run through August 6, 2021). The hours for Principals, or other administrators who have the appropriate administrative credentials shall be 7:30 am to 12:30 pm. The focus will be on Social Emotional Learning (SEL) and small group tutoring.
- IV. High School Programs will run within the time frame of June 21, 2021 - July 23, 2021. Summer City Hall may include additional hours for student presentations up to July 27, 2021. The hours and responsibilities will be determined by the District driven by the particular needs of the site.
- V. Extended School Year (ESY) will run June 28, 2021 - July 23, 2021. The hours for Principals, or other administrators who have the appropriate administrative credentials, shall be 8 am-12:30 pm.
- VI. In the event there are fewer positions than Principals or other administrators who have the appropriate administrative credentials, and who are interested, assignment will be determined by the District, with preference going to current site Principals, or other UPE unit members who have the appropriate administrative credentials.
- VII. Non-precedent Setting. This Agreement, including the use of Head Teachers to support ESY programs, is limited specifically to the 2021 Summer Program, is non-precedent setting, and does not establish a past practice for any purpose.
- VIII. Expiration Date. This Agreement shall expire in full without precedent on the last day of the 2021 Summer Program.
