

Proposed Memorandum of Understanding
Between
Sacramento City Unified School District (SCUSD)
&
Sacramento City Teachers Association (SCTA)
Special Education Assessments While in a Distance Learning Model

February 11, 2021 at 6:50 p.m.

1. While the District and SCTA continue negotiations around teachers volunteering to conduct special education assessments of students with disabilities, the District and SCTA agree that the District may seek outside contractors and/or retirees to conduct the in-person assessments.
2. The District will provide SCTA with the number of outside contractors or retirees hired to conduct such in-person assessments, and any and written agreements between the District and such service providers.
3. The use of outside contractors or retirees in this extraordinary, temporary situation, shall not constitute a waiver of the District's prior agreement dated October 24, 2018 with SCTA that prohibits subcontracting of bargaining unit work, without the written, expressed approval of SCTA.
4. This MOU addresses only the use of outside contractors and/or retirees to conduct in-person Special Education assessments set forth in this MOU for the 2020-21 school year and does not preclude continued discussion between the District and SCTA on additional in-person assessments and other working conditions related to the reopening of schools.
